REQUEST TO CORRECT THE FILING RECEIPT

Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir.

Applicants request correction of the official Filing Receipt to correctly reflect the following items.

(1) There is a typographical error identifying the parent PCT application. Under "Continuing Data as Claimed by Applicant" the following correction is requested. Support for the amendment is found within the record and the instant filings (including a new Declaration). Appropriate correction is requested.

"This Application is a 371 of PCT/RU99/00197 filed 06/16/1999"

In the alternative, Applicants request consideration of this filing as a petition under 37 C.F.R. 1.182 to issue a corrected Filing Receipt and Notice of Acceptance under 371. Appropriate documentation is within the record to support this error as a mistake of a "clerical or typographical" mistake of minor character made in good faith and not raising the issues of new matter or change in the application. It is clear from the record that this priority claim is appropriate, was timely made at the international level with all fees paid and items, involves the exact same inventors and subject matter, and was acknowledged by the Examiner in his action of 8/23/04 as correct.

(2) There is an inaccuracy in the Title. The title should read as shown below. Support for the correction is replete in the original filing papers; namely (a) the title shown on the specification, (b) the title shown on the PCT Request for Examination (PCT/RO/101), (c) the title shown on each of five Small Entity Declarations, and (d) the title identified on the initial filing documents cover page. Appropriate correction is requested.

**"METHOD FOR MAKING A BLIND RSA-SIGNATURE AND APPARATUS THEREFORE"**

(3) The official Filing Receipt should indicate that the present Applicants hold a "SMALL ENTITY" status and are entitled to reduced filing fees. In support thereof, Applicants direct attention to our separate filing (enclosed within and incorporated into today's complete filing papers) for correction of the electronic record to reflect a small entity status. Appropriate correction is requested.

(4) Recognition that the name of the firm has officially changed to Lackebach Siegel, LLP from Lackebach Siegel, Marzullo Aronson & Greenspan. This change is noted in the enclosed Declaration, Oath, and Power of Attorney. Appropriate correction is requested.

The Commissioner is hereby authorized to charge payment of any additional fees associated with this communication, or credit any overpayment, to Deposit Account No. 10-0100. No new matter has been added.

If the Examiner would like to discuss the present application, requests, or other matters, Applicants would appreciate a courtesy call to discuss placing the application in proper condition for allowance, and will respond immediately.

Early and favorable action is respectfully solicited.

Very truly yours,  
**LACKENBACH SIEGEL, LLP**

**LICENSE FOR FOREIGN FILING UNDER  
Title 35, United States Code, Section 184  
Title 37, Code of Federal Regulations, 5.11 & 5.15**

**GRANTED**

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license of similar scope has been granted under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 36 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

**NOT GRANTED**

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).

**PLEASE NOTE the following information about the Filing Receipt:**

- The articles such as "a," "an" and "the" are not included as the first words in the title of an application. They are considered to be unnecessary to the understanding of the title.
- The words "new," "improved," "improvements in" or "relating to" are not included as first words in the title of an application because a patent application, by nature, is a new idea or improvement.
- The title may be truncated if it consists of more than 600 characters (letters and spaces combined).
- The docket number allows a maximum of 25 characters.
- If your application was submitted under 37 CFR 1.10, your filing date should be the "date in" found on the Express Mail label. If there is a discrepancy, you should submit a request for a corrected Filing Receipt along with a copy of the Express Mail label showing the "date in."

Any corrections that may need to be done to your Filing Receipt should be directed to:
